

Moving Toolkit

For over 147 years, we've been welcoming people into the communities we serve. At First National Bank, we are your neighbors. Ask us for suggestions about what to explore in your new community. We help communities thrive with products and services that provide a unique banking experience and total money management. Let us help you get settled with insurance, investments, and all your financial needs.

As part of our relocation tool kit, use this timeline to stay organized. Congratulations on your move and welcome to the First National Bank community!

8 weeks prior to moving		
	Take inventory of your home and remove the clutter	
	Start a folder for all of your moving documents, estimates, and receipts
