Accordingly, all of the members shall be directors:

- who have no relationship to the Company that may interfere with the exercise of their independence from management and the Company;
- who do not accept directly or indirectly any consulting, advisory or other compensatory fees from the Company or any subsidiary of the Company, other than in the member's capacity as a member of the Board or any Board committee of the Company or the affiliates of the Company;

- who qualify as “independent” directors under the rules of the Exchange.

In addition, at least one member of the Committee shall be an “audit committee financial expert,” as defined by the Commission, and at least two members shall have “banking or related financial management expertise,” as defined in 12 CFR Part 363 of the Federal Deposit Insurance Corporation regulations. The appointment of Committee members shall be done in accordance with Section 2.13 of the F.N.B. Corporation Bylaws, Section 3.01 of the First National Bank of Pennsylvania Bylaws and the process described in the Company Corporate Governance Guidelines and the Company Nominating and Corporate Governance Committee Charter. No member of the Audit Committee may serve on the audit committees of more than two (2) public companies at the same time. Service on the Company’s Audit Committee is included as one of the companies for purposes of this limitation. The Committee shall regularly report the results of its activities to the Board.

II. Purpose

The Committee shall provide assistance to the Board with respect to its oversight of:

- the integrity of the Company’s financial statements;
- the Company’s system of internal control;

- the performance of the Company’s internal audit function and independent registered public accounting firm (“independent auditor”);
- the independent auditor’s qualifications and independence; and
- the Company’s compliance with ethics policies and legal and regulatory requirements.

The Committee shall prepare its report to be included in the Company’s annual proxy statement, as required by regulations of the Commission.

III. Authority and Funding

It is the responsibility of the Committee to maintain free and open communication among the Committee, its internal auditor, management of the Company, and the Company’s independent auditor. The Committee shall have the authority and responsibility to adopt, modify and oversee the Company’s audit related policies, procedures and guidelines, including oversight of the General Auditor’s administration of these policies, procedures and guidelines. The adoption or modification by the Committee of audit related policies, procedures and guidelines shall be reported to the Company Board. In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company and the authority to engage outside counsel, auditors and other advisers as it determines necessary to carry out its duties, at the expense of the Company. The Committee may form, and delegate authority to, subcommittees consisting of one or more members when appropriate, including delegating to the subcommittees the authority to grant pre-approvals of audit and permitted non-audit services, as well as quarterly and annual SEC filings, so long as decisions of such subcommittee to grant pre-approvals are presented to the full Committee at its next scheduled meeting. The Committee shall have the authority to engage, and determine funding for, independent counsel and other advisors to the Committee.

The Company shall provide appropriate funding, as determined by the Committee, for:

- compensation to the independent auditor for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company;
- compensation to any adviser employed by the Committee; and
- ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

IV. Meetings

The Committee will meet at least four times a year, with authority to convene additional meetings as circumstances require. As necessary and appropriate, the Committee may meet jointly with the Company Risk Committee with respect to certain risk and compliance matters that are applicable to both Committees. All Committee members are expected to attend each meeting in person or via teleconference or videoconference. The Committee will invite members of management, auditors, or others to attend meetings and provide pertinent information as necessary. It will hold private meetings with auditors and executive sessions. Meeting agendas will be prepared and provided in advance to members, along with appropriate briefing materials. Minutes will be prepared.

V. Duties and Responsibilities

The Committee's role is one of oversight, and the Committee recognizes that the Company's management is responsible for the preparation and publication of the Company's financial statements and that the independent auditor is responsible for auditing those financial statements. In addition, the Committee recognizes that the Company's financial management personnel, as well as the independent auditor, because of the nature of their relationship with the Company, are in a position to devote more time and acquire greater knowledge and more detailed information regarding the Company than do Committee members; consequently, in carrying out its oversight responsibilities, the Committee shall not be deemed to provide any expert or special assurance as to the Company's financial statements or any professional certification as to the independent auditor's work.

The Committee, in carrying out its responsibilities, believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances. The Committee should take appropriate actions to set the overall corporate "tone" for quality financial reporting, sound business risk practices and ethical behavior. The following shall be the principal duties and responsibilities of the Committee. These are set forth as a guide with the understanding that the Committee shall have the discretion to conduct activities in addition to those listed herein as it deems appropriate given the circumstances. With respect to Company matters, as they relate specifically to the Committee, the Committee shall have and may exercise all the power and authority of the Board provided under the respective Company's Articles of Incorporation and Bylaws, unless prohibited by regulation.

The Committee shall approve, in advance, all auditing services and all non-audit services, including the fees and terms thereof, to be performed by the independent auditor that are permitted under Section 10A of the Exchange Act and the rules and regulations of the Commission thereunder, subject to the de minimis exceptions under such rules for permissible non-audit services that are nonetheless approved by the Committee prior to the completion of the audit. The Committee may form, and delegate authority to, subcommittees consisting of one or more members of the Committee when appropriate, including the authority to grant preapprovals of audit and permissible non-audit services, provided that decisions of such subcommittee to grant preapprovals shall be presented to the Committee at its next ensuing meeting.
