Investor Presentation

Second Quarter 2016

F.N.B. Corporation

Cautionary Statement Regarding Forward-Looking Information and Non-GAAP Financial Information

The presentation includes “snapshot” information about F.N.B. Corporation used by and of illustration and is not intended as a full business or financial review and should be viewed in the context of all the information made available by F.N.B. Corporation in its SEC filings. The information provided in this presentation and the reports F.N.B. Corporation files with the Securities and Exchange Commission often contain “forward-looking statements” relating to present or future trends or factors affecting the banking industry and, specifically, the financial operations, markets and products of F.N.B. Corporation. These forward-looking statements involve certain risks and uncertainties. There are a number of important factors that could cause F.N.B. Corporation’s future results to differ materially from historical performance or projected performance. These factors include, but are not limited to the risks discussed in F.N.B. Corporation’s 2015 Form 10-K and other 2015 SEC disclosures and the following: (1) a significant increase in competitive pressures on financial institutions; (2) A challenging interest rate environment; (3) changes in prepayment speeds, loan sale volumes, charge-offs and loan loss provisions; (4) general economic conditions; (5) various monetary and fiscal policies and regulations of the U.S. government that may adversely affect the businesses in which F.N.B. Corporation is engaged; (6) technological issues which may adversely affect F.N.B. Corporation’s financial operations or customers; (7) changes and trends in the capital markets; (8) housing prices; (9) job market; (10) consumer confidence and spending habits; (11) estimates of fair value of certain F.N.B. Corporation assets and liabilities; (12) the effects of current, pending and future legislation, regulation and regulatory actions, and (13) the impact on federal regulated agencies that have oversight or review of F.N.B. Corporation’s business and securities activities. F.N.B. Corporation undertakes no obligation to revise these forward-looking statements or to reflect events or circumstances after the date of this presentation.

To supplement its consolidated financial statements presented in accordance with Generally Accepted Accounting Principles (GAAP), the Corporation provides additional measures of operating results, net income and earnings per share (EPS) adjusted to exclude certain costs, expenses, and gains and losses. The Corporation believes that these non-GAAP financial measures are appropriate to enhance the understanding of its past performance as well as prospects for its future performance. In the event of such a disclosure or release, the Securities and Exchange Commission’s Regulation G requires: (i) the presentation of the most directly comparable financial measure calculated and presented in accordance with GAAP and (ii) a reconciliation of the differences between the non-GAAP financial measure presented and the most directly comparable financial measure calculated and presented in accordance with GAAP.

The Appendix to this presentation contains non-GAAP financial measures used by the Corporation to provide information useful to investors in understanding the Corporation’s operating performance and trends, and facilitate comparisons with the performance of the Corporation’s peers. While the Corporation believes that these non-GAAP financial measures are useful in evaluating the Corporation, the information should be considered supplemental in nature and not as a substitute for or superior to the relevant financial information prepared in accordance with GAAP. The non-GAAP financial measures used by the Corporation may differ from the non-GAAP financial measures other financial institutions use to measure their results of operations. This information should be reviewed in conjunction with the Corporation’s financial results disclosed on April 22, 2016 and in its periodic filings with the Securities and Exchange Commission.

Total Operating Revenue Growth

Total Operating Revenue

- 1Q16 record total revenue of \$186.3 million reflects \$14.3 million or 15% year-over-year growth
- Growth in net interest income compared to the year-ago quarter was \$19.1 million, or 15.4%, reflecting solid organic loan and deposit growth
- Core non-interest income was an all-time high and increased 13.9% compared to the year-ago quarter, reflecting the benefit of investments made in fee-based businesses, particularly mortgage banking, wealth management, and capital markets activities which mitigated continued net interest margin pressure due to an extended low-rate environment

Net Interest Margin Trends⁽¹⁾

Net Interest Income / Net Interest Margin

- First quarter 2016 net interest income increased \$13.4 million, or 10.3% linked-quarter, reflecting solid organic loan and deposit growth and the Metro Bancorp acquisition.
- The first quarter core net interest margin⁽²⁾ of 3.38% expanded from fourth quarter of 2015 due to higher yields on acquired Metro balances which offset the impact of 3 bps from the sub-debt issue in late September 2015.
