Cautionary Statement Regarding Forward-Looking Information

This document/communication/information contains forward-looking statements which may contain FNB's expectations or predictions of future financial or business performance or conditions, or otherwise anticipate the closing date of the Transaction. This document/communication/information may also contain certain forward-looking statements, including certain plans, goals, projections and statements about the proposed Transaction, plans relative to the proposed Transaction, objectives, expectations and intentions regarding the proposed Transaction, the expected timing of the completion of the proposed Transaction, and other statements that are not historical facts. Forward-looking statements, that do not describe historical or current facts, typically are identified by words such as, "believe", "plan", "expect", "anticipate", "intend", "outlook", "estimate", "forecast", "will", "should", "project", "goal", and other similar words and expressions. These forward-looking statements are subject to numerous assumptions, risks and uncertainties. The forward-looking statements are intended to be subject to the safe harbor provided under Section 27A of the Securities Act of 1933, Section 27E of the Securities Exchange Act of 1934, and the Private Securities Litigation Act of 1995.

In addition to factors previously disclosed in FNB's and Yadkin's reports filed with the Securities and Exchange Commission (SEC), the following risk factors, among others, could cause actual results to differ materially from forward-looking statements or historical performance: potential risks and challenges attendant to the successful conversions of core data systems; difficulties and delays in successfully integrating the FNB and Yadkin businesses or fully realizing cost savings and other benefits; business disruption following the merger; changes in asset quality and credit risk; changes in general economic, political or industry conditions; uncertainty in U.S. fiscal policy and monetary policy, including interest rate policies of the Federal Reserve Board (FRB); the inability to sustain revenue and earnings growth; changes in interest rates and capital markets; inflation; customer acceptance of FNB products and services; potential difficulties encountered by FNB in expanding into a new and remote geographic market; customer borrowing, repayment, investment and deposit practices; customer disintermediation; the introduction, withdrawal, success and timing of business initiatives; the inability to realize cost savings or revenues or to implement integration plans and other consequences associated with mergers, acquisitions and divestitures; the impact, extent and timing of technological changes, capital management activities, competitive pressures on product pricing and services; ability to keep pace with technological changes, including changes regarding maintaining cybersecurity; success, impact and timing of FNB's and Yadkin's respective business strategies, including market acceptance of any new products or services; and implementation of FNB's banking culture, philosophy and strategies. Additional risks include the nature, extent, timing and results of governmental and regulatory actions, examinations, reviews, reforms, regulations and interpretations, including those related to the Dodd-Frank Wall Street Reform Act and Consumer Protection Act and Basel III regulatory or capital reforms (including DFAST stress-testing protocols), as well as those involving the Office of the Comptroller of the Currency (OCC), FRB, Federal Deposit Insurance Corporation (FDIC), and Consumer Financial Protection Board (CFPB); the possibility that the proposed Transaction does not close when expected or at all because required regulatory or other approvals are not received or other conditions to the closing are not satisfied on a timely basis or at all; the possibility that the anticipated benefits of the proposed Transaction are not realized when expected or at all, or the transaction is delayed or does not close due to unanticipated circumstances, including as a result of the impact of, or

problems arising from, the integration of the two companies or as a result of the strength of the economy and competitive factors in the areas where FNB and Yadkin do business; the possibility that the proposed Transaction may be more expensive to complete than anticipated, including as a result of unexpected factors or events; diversion of management's attention from ongoing business operations and opportunities; potential adverse reactions or changes to business or employee relationships, including those resulting from the announcement or completion of the proposed Transaction; and other factors that may affect future results of FNB and Yadkin. There is no assurance that any of the risks, uncertainties or risk factors identified herein is complete and actual results or events may differ materially from those expressed or implied in the forward-looking statements contained in this document/communication/information.

Additional factors that could cause results to differ materially from those described above can be found in FNB's Annual Report on Form 10-K for the year ended December 31, 2015, and in its subsequent Quarterly Reports on Form 10-Q, including quarters ended March 31, June 30 and September 30, 2016, each of which is on file with the SEC and available in the "Investor Relations & Shareholder Services" section of FNB's website, www.fnbcorporation.com, under the heading "Reports and Filings" and in other documents FNB files with the SEC, and in Yadkin's Annual Report on Form 10-K for the year ended December 31, 2015, and in its subsequent Quarterly Reports on Form 10-Q, including the quarters ended March 31, June 30 and September 30, 2016, each of which is on file with the SEC and available in the "Investor Relations" section of Yadkin's website, www.yadkinbank.com, under the heading "Documents" and in other documents Yadkin files with the SEC.

All forward-looking statements speak only as of the date they are made and are based on information available at that time. Neither FNB nor Yadkin assumes any obligation to update forward-looking statements to reflect circumstances or events that occur after the date the forward-looking statements were made or to reflect the occurrence of unanticipated events except as required by federal securities laws. As forward-looking statements involve significant risks and uncertainties, caution should be exercised against placing undue reliance on such statements.
