*Client Feedback Drives Coalition Greenwich Recognition*

**PITTSBURGH, PA – May 24, 2022** – F.N.B. Corporation (NYSE: FNB) announced that it has been named to Coalition Greenwich’s inaugural list of **Standout Commercial Banks for Demonstrating Commitment to Environmental, Social and Governance (ESG) Principles and Values**. FNB was one of only nine banks in the country to receive the recognition.

To identify the standout banks, Coalition Greenwich, formerly Greenwich Associates, asked more than 20,000 small business and middle market executives to assess their banks’ commitment to ESG. The banks that received the most consistently excellent ratings were named to the list.

“Corporate responsibility, including ESG, is a vital cultural and strategic priority for FNB,” said Vincent J. Delie, Jr., Chairman, President and Chief Executive Officer of F.N.B. Corporation and First National Bank. “It is an honor to be recognized for our commitment, which is evident in the wide range of investments and initiatives we have implemented to foster sustainable, responsible business practices and champion economic and social equality in our communities.”

The recent Coalition Greenwich recognition adds to the extensive list of third-party accolades FNB has received for its work to benefit stakeholders and communities throughout its footprint. Among other distinctions, FNB repeatedly has appeared on JUST Capital’s list of America’s Most Just Companies, earned multiple awards for its commitment to diversity and inclusion, and achieved the highest possible Community Reinvestment Act rating from the Office of the Comptroller of the Currency.
